

## Elite 10W-40

### Premium High Performance Multigrade Petrol Engine Oil

#### Product Description

Veedol Elite 10W-40 engine oil is formulated from premium quality virgin base oils to bring out the best engine performance of new and older passenger vehicles. It provides excellent sludge and deposit control. A robust anti-friction additive helps protect the engine parts on cold starts and resists oil degradation throughout the recommended oil drain interval.

#### Performance Specification

Veedol Elite 10W-40 meets or exceeds performance requirements:

- API: SL

#### Features & Benefits

- Premium quality engine oil with very high thermal and oxidation stability
- Provides outstanding protection to engine components against wear and corrosion. Unique detergent-dispersant additives system keeps all contaminants in micro suspension to achieve high engine cleanliness and optimum fuel efficiency
- Recommended for vehicles having turbocharged /naturally aspirated fuel-injection gasoline requiring API SL grade oil
- Manufactured from virgin base oil

#### Typical Properties:

Test Parameters	ASTM Method	Typical Values
Density @15°C	D4052	0.866
Kinematic Viscosity @100°C, cSt	D445	15.15
Viscosity Index	D2270	155
Total Base Number, mg KOH/gm	D2896	8.0
Pour Point, °C	D97	-36
Flash Point (COC), °C	D92	236

\*Properties mentioned above are typical only, and minor variation which do not affect the product performance, are to be expected in normal manufacturing.
