

# Passenger Car Motor Oils

# **TECHNICAL DATA SHEET**

# SYNTRON 5W-30

#### **Fully Synthetic Petrol Engine Oil**

#### **Product Description**

Veedol **Syntron 5W-30** is a fully synthetic high performance multigrade engine oil engineered with latest in lubricant technology providing unmatched performance in toughest conditions. Veedol Syntron's high quality blend and advanced technology deliver excellent fuel economy with improved film strength and oxidation stability. It is ideal for vehicles requiring 5W-30 viscosity engine oil including MB & BMW.

### **Performance Specification**

Veedol Syntron 5W-30 meets and exceeds the following performance requirements: API SN | ACEA A3/B4 | MB 229.5 | BMW LL-01 | Renault RN0700/RN0710

### Features & Benefits

- 1. Excellent fuel efficiency.
- 2. Provides optimum performance and engine protection at extreme temperature.
- 3. Excellent piston deposit control.
- 4. Superior protection against sludge formation and combustion contamination.
- 5. High Level of engine cleanliness

## **Typical Properties:**

| Test Parameters                 | ASTM Method | Typical Values |
|---------------------------------|-------------|----------------|
| Density @15°C                   | D4052       | 0.852          |
| Kinematic Viscosity @100°C, cSt | D445        | 11.14          |
| Viscosity Index                 | D2270       | 157            |
| Total Base Number, mg KOH/gm    | D2896       | 10.6           |
| Pour Point, °C                  | D97         | -42            |
| Flash Point (COC), °C           | D92         | 226            |

\*Properties mentioned above are typical only, and minor variation which do not affect the product performance, are to be expected in normal manufacturing.
